Targus

TET028CA | Targus 17” Commuter™ Leather Laptop Case

The Targus Commuter 17" Leather Laptop Case is designed to protect laptops with up to 17" screens. The case features oversized pockets to provide storage for power adapters and is also equipped to hold business cards and pens. The leather exterior is 100% water-resistant to help protect the laptop and other devices from wet weather. The padded laptop compartment features shock-absorbing foam for added protection. The rich, blue interior lining is stain-resistant and makes it easy to locate accessory items stored inside of the case. The strong, structured, leather-wrapped handles are durable and comfortable to carry. The reinforced luggage strap makes it easy to attach the case to rolling luggage while traveling. The case is self-standing, making it easier to pack and view items in the bag. The contoured, non-slip shoulder strap provides ergonomic support for a comfortable fit. The Commuter case features a professional design, ideal for the traveler who is looking for a functional business case.
